CHARLES LEVITSKY,
Master Workman, Norwich Lodge, No.
12, A. O. U. W.

Consider the last been a member of the United Workmen for about four years, alling in succession the offices of overseer and foreman before being raise. The master workman's chair. He is employed at the plant of the Norwich Belt company.

The finance committee of the grand lodge of the A. O. U. W. met on Tuesday afternoon. Eeb. 28th, in the grand lodge office. New Haven, and the executive committee the finance committee reported that the menting of the executive committee the finance committee reported that the grand lodge reserve fund on Jan.

11, 1912, amounted to \$281,798.14, all of which is invested in glit-edged securities.

C. T. A. U.

The largest athletic celebration in Waterbury in years is what the members of St. Joseph's Total Abstinence society of Waterbury some time in June at a date not yet fixed.

This will be the first time that the annual field day of the union has been held in Waterbury in eight years. The St. Joseph's Total Abstinence society takes the initiative in arranging for the field day, and it was at the request of this society that the board chose Waterbury.

So far nothing definite in the way of arrangements has been made for the celebration with the exception of appointing a general committee which will have the celebration in hand.

The day's programme will be begun

MODERN WOODMEN OF AMERICA.

The negligors of lonic camp celebrate the 13th anniversary of the camp next Thursday evening, March 7th. A large turnout is expected, as all Modern Woo/men of Norwich and vicinity are invited to attend. A fine programmy a is being arranged and cigars and feifershments will be served during the state which are affiliated with the camp with address the meeting And explain in detail the revision in tates and how it will affect each member. The hard compared to the proposed of the proposed in the state which are affiliated with the connecticut T. A. union. Members will appear in uniform and several bands of music will take part in the parade. It is expected that the women's so-detices of the union will be represented by floats. and refreshments will be served aluring the evening. District Deputy Hughes of Hartford will be present and during I se evening will address the meeting And explain in detail the revision in tates and how it will affect each member. The head camp recently held in whicago decided that a revision in rates was necessary and the committee appointed to revise the mates have adopted several tables which Deputy Hughes will fully explain. The new rates do not come into force until Jsm. 1, 1913, so that each neighbor will have plenty of time to consider the plans set before them. Every Woodman who wants to be fully informed can come next Thursday night and spend the evening with fonic camp.

The combined Catholic temperance societies of Connecticut, of which the state union is made up, have a membership of approximately 8,000, and of this membership, under favorable conditions,

All athletic events are held under the sanction of the A. A. U., and most

#### DEGREE OF POCAHONTAS.

Sebequonash council, No. 11, held a meeting of special interest last Monday evening in Foresters hall, having two candidates present for initiation. This start in adding new members to the council is expected soon to be followed by others. The standing committees for the term were appointed. The council was pleased to receive a test from Sister Mary A. Barvey, who visit from Slater Mary A. Harvey, who is now a resident of New London. When the next meeting night of the council comes, which is March 11th, the Nessha club will hold a whist the same evening in the hall, beginning a series of whist in the hall every two weeks, and also resuming the home

One of the home whists was held ast Tuesday evening with Mr. and Mrs. L. Manchester, when a large number spent an enjoyable evening at while they wre being enjoyed the scores were counted up and the followscores were counted up and the following declared the prize winners: First
lady's, Ida Clifford, fancy apron; second, John A Button, playing as a lady,
who took a prize apron; first gentleman's, Harry Kelley, a whisk broom;
ascord, E. O. Miller, combination set;
onsolutions, Mrs. Minnle Noyes and
lastic Manchester.

INDEPENDENT FORESTERS.

Court Norwich, No. 4389, is on the gain since its institution and although mly a young court is showing plenty f activity and progressive spirit that indicates it is bound to grow. It in-tends to have an open meeting on the last meeting night in March and will make the night one of enjoyment for

officers has already been made, but the election comes on the first Thursday of the present month. The following week

election comes on the first Thursday of the present month. The following week is to be a social session at the home and the last Thursday in the month is also down for a social session. Next Tuesday night the Norwich Elks will be hosts at the Elks home to the New London Elks, who are coming up here to continue the series of inter-lodge contests in pinochle, pool, cribbage, forty-five and pitch. Norwich won three out of the five events when the lodges placed last week in New London, so that they have a lead, but they intend to go out and distance their New London breihren this time. In the calendar one page was given over to the following permotal of the late Dr. F. H. Harriman.

In Memoriam—in appreciation of the charty, justice, brotherly love and Chelly of our late brainer, Patrick H. Harriman, M. D. affiliated by demit from Harriford ledge May 5th, 1916, lied Peb. 18th, 1912, Norwich lodge, No. 436, of the Benevolent and Protective Order of Ilba, has alopted and spread upon its minutes a resolution expressive of the loss it has austained in this teath and extending hearriful sympathy to the family in their bereavement.

the sanction of the A. A. U., and most of the events will be open to all umateur athletes, although there will als be a series of closed events to which the members of temperance societies only affiliated with the C. T. A. U. are

only aminated with the C. 1. A. C. are elligible. A large list of cups and medals will be offered as prizes.

In addition to the athletic events, prize drills will be given by several companies of Tierney cades, uniformed companies of boys in their teens, and for these competitions various prizes will be offered.

KNIGHTS OF PYTHIAS.

Both Wauregan lodge, No. 6, and Gardner lodge, No. 46, are devoting some attention to the social life in their meetings in March, as Gardner lodge is to have an evening of whist at its meeting next week, and Waure-gan lodge has named March 19th as the evening for a social get-together time, when they expect a large attend-ance of the members, with their lady friends, extending an invitation to Clover temple, No. 9, Pythian Sisters,

### EASTERN STAR.

Sachem chapter, No. 57, received two invitations at its meeting Wednesday night at the Buckingham Memorial and accepted both. The first was for the listh of March from Fidelity chapter of New London, which is to celebrate its tenth anniversary that night, and the second was from Radiant chapter of Williamitic, which invited the Nor-wich Eastern Stars to come to Willi-martic on the evening of the 22d of mantic on the evening of the 32d of March, which is to be a special night for the Willimantic chapter. There is o be initiation at the next meeting of

Norwich nest, No. 1396, with President George H. Stanton in the chair, had its regular meeting Tuesday evening in Owls' hall. Reports made by the ten membership teams showed that this contest was starting off in great shape and already there are about ten applications in sight, Capt. Neil Crowley's team having secured the pole at the start and leading the field. General Boon will keep his captains and teams hustling. Reports were made of the whist and of the ball. From the whist a good sum was realized and whist a good sum was realized, and from the ball there will be a satisfying the full report is not in yet

Don't Stay Thin-Protone Will Build Out the Figure and Will Tone and Strengthen Your Entire System

### 50c Trial Box Sent FREE

## ALL CAN BE

The Discovery of Protone Has Proven a Blessing to Hundreds of

Women.

PROTONE will transform a thin, skinny woman into a fine-looking, attractive one, full of life and animation. The kind of women people worth while any nice things about. It will round out the cheeks and cover up the bars bones of the face. Give symmetry to the figure and make graceful in shape that which was uncouth and unlovely. It is a miracle worker for women, making form and face beautiful as Nature intended.

Men, as a rule, care more about feelings than looks, but PROTONE does a twe-fold service for them—makes them look better and feel better at the same time. From origin to insertion, it builds a muscle over, fills it out and gives it its best proportion. PROTONE helps Nature assert itself, and life takes on a new meaning and added value.

It will cost you nothing to prove the remarkable effects of this treatment. No dieting or eating of particular kinds of foods are necessary. The treatment is absolutely mon-injurious to the most delicate system. The Protone Compray, 4157 Protone Building, Detroit, Mich., will send to any one who sends name and address with ten cents in silver or stamps to help cover postage and packing, a free 50-cent package of Protone (with full instructions) to prove that it does the work. They will also send you their book on "Why You Are Thin," free of charge, giving facts which will probably astonish you. Send the coupon today.

### THINNESS IS A DISEASE

Protone Reaches the Cause and Easily Remedies It.

You Can Prove It Yourself Without

Cost.

"My! can it be that I ever was sethin? And to think that I would have been thin and gaunt now is d I never heard of Protone. I consider it the lucklest find I ever made when I first discovered a Protone advertisement," said a splendid looking woman a few days ago.

"Yes, Protone built me up 30 pounds in as many days, and I owe my figure to its wonderful influence, and the beauty of it is I never felt better and more confident in my life, and my weight is correct for my height."

Have you ever noticed that people at proper weight are invariably prepossessing in appearance, having confidence in self and look the world in the eye with perfect assurance? On the other hand, have you noticed that thin, scrawny people are imaginative, lack confidence, and are apprehensive of calemity?

Thin people eat as much, if not more,

of calemity?
Thin people eat as much, if not more, than people at proper weight, but the nutriment of their food goes to waste; it is not carried by the blood to the tissues that sustain the fatty matter demanded by every part of the human system.

system. Thinness is a disease and Protone reaches the cause and why of the disease, which is easily remedied, as proved by a short use of Protone. A few weeks treatment produces astonishing results.

RAILROAD MAKENS

this year has just been issued by the immediate Relief association, through Computing Probable Increase in Runhe death of Brother William Gobe of ning Cost if Engineers Press De-Grand Master Arthur F. Woodford

of the grand lodge of Connecticut, I. O. O. F., has issued a proclamation to the officers and members of all sub-Officers of the New York, New Haven and Hartford Railroad company to the officers and members of all subordinate and Rebekah lodges of the
order in Connecticut requesting all
members to set aside April 28, 1912,
the 93d anniversary of the order, as a
day of thanksgiving, to be observed in
the lodge rooms by exercises suitable
to the occasion. The proclamation concludes as follows:

"Let me urge every lodge to be represented at our beautiful home at
Groton on the above date, where exercises in charge of the grand chaplain
will begin at 2 o'clock p. m. Substantial improvements have been made in
our home during the past year, and
every member of our order is invited
to be present and inspect our home, of
which we are usely proud and at the
engineers on the matter will probably to be present and inspect our home, of which we are justly proud, and at the same time make glad the hearts of our probably not be arrived at for at least same time make glad the hearts of our brothers and sisters who are spending their declining years with us. Do not forget your annual donation. Let it be a liberal one, remembering always that we pass this way but once. All trains will step at Pairview on the ment of miner points relating to concerning the service before the main of the service before the main above date. A train will leave New ditions of service before the main question of wages is reached, which may, as in some of the western cases,

go to arbitration.

MADE NEW BY REESE Famous Bonesetter Has More Than Once Wen a Pennant for Some

Roncsetter Reese is an important character in baseball and a necessary one, too. Many are the star pitchers who have gone to him to have their arms treated because of symptoms of everything from neurasthenia down t the common everyday soreness. The interesting fact about this great bonesetter, whom ball players awear by is that he was a mill hand about 20 years ago. He has removed the lurkling ills from the wing of almost every big league star, and he has helped to win more than one pennant for more than one team. Among the distin-sulated visitors who have made haste FORESTERS.
